Rockford

BAROSSA VALLEY

Rockford can only be described as an icon no matter how overused that word may be. Established in 1984, Rockford adheres to true artisanal technique, hand-producing all wines from vineyard to you.

At Rockford, wine is crafted, not created. The skill is to capture and enhance the fleeting flavours that grapes give from their variety and extract from the earth, then bottle these as a living record of the vintage they represent.

Rockford wines are made in a style that best reflects the vineyards, the winemaker's attitude and the climate in which we live. Rockford produce wines from old grower vineyards within the Barossa Valley wine growing region, accepting only the highest quality fruit from ancient vineyards.

Each vintage of every variety is uniquely styled and Chief winemaker Robert O'Callaghan creates some of Australia's most sought after wines with a selection available for your pleasure at Biviano's.
